\* YT.REJOICE is an event to celebrate students' accomplishments in Semester 1. It will be held in the classrooms. Students are strongly encouraged to bring an item (e.g. games, musical instruments, breakfast and Thank You cards/notes) for this celebration. While students can bring breakfast to share with their friends, it is not compulsory to do so. Food for sharing has to be individually wrapped/ packaged/serve in individual portions. Should students feel uncomfortable to consume the food offered to them, they can reject the offer politely and do not consume the food.
